Colleagues,

With Election Day just one week away and early voting in full-swing, we wanted to share an updated Election 2020 Social Media Toolkit. In this toolkit, you will find updated graphics and sample posts that can be used on personal and chapter pages to encourage voter participation in this final important week. You will also find a few Halloween-themed posts for those who may be interested.

Please reach out to Amy Sheldon, asheldon@uupmail.org, with questions or concerns.

In solidarity,
Fred
